Manufacturing Specifications

Finished size: 11.5 x 3 inches, landscape, with rounded corners. Use durable exterior-grade removable-adhesive vinyl with a matte UV-resistant laminate. Print the black background as part of the design and use high-opacity white and warm gold.

Keep all wording, proportions, spacing, line separation, and the double border unchanged. Do not retype, crop, stretch, recolor, or rearrange the artwork. Ask the printer to confirm bleed and safe-area requirements before production.

How to Order

1. Upload bumper-sticker-artwork-outlined.svg or bumper-sticker-artwork.pdf.
2. Select 11.5 x 3 inches, exterior-grade removable vinyl, matte finish, and rounded corners.
3. Request a digital proof. Verify every word, the white question mark, gold/white color pattern, spacing, double border, and exact domain.
4. Approve one sample or final proof before ordering a larger quantity.
